# JUNE 1-3, 2017

**MONTEGO BAY CONVENTION CENTRE**  
**MONTEGO BAY, JAMAICA**

PRESENTED BY THE  **JMA**  
 Jamaica Manufacturers' Association

## The [JIE] Who are we?

The Jamaica International Exhibition (JIE) 2017 is an inaugural tradeshow that will be held at the Montego Bay Convention Centre, Rose Hall, St. James from June 1-3.

This one of a kind event, a first in terms of its size and magnitude, is being staged by the Jamaica Manufacturers' Association (JMA) and will see some 600 buyers and suppliers from within the Caribbean, North and South America, Canada, the USA, United Kingdom and other parts of Europe as well as China.

JIE will allow an up close and personal atmosphere, aimed at discovering new markets and exploring untapped potentials.

### THE JAMAICA MANUFACTURERS' ASSOCIATION (JMA)

The Jamaica Manufacturers' Association Limited was established in 1947 as a limited liability company to promote the development of the manufacturing sector and increase its contribution to the socio economic welfare of the country.

The JMA is the host organization for the Jamaica International Exhibition (JIE) 2017 with over 50 years experience in staging expositions.

### OPPORTUNITIES

The opportunities that will be available at this event can only be described as tremendous. The JMA, through event planners, Dynamic Event Services, has facilitated the significant planning and logistical organization to ensure that linkages are made between buyers and suppliers.

Opportunities include:

- Meet regional and international Buyers

- Connect with suppliers, retailers and distributors
- Form new business contacts and linkages
- Network
- Create investment opportunities
- Capitalise on B2B opportunities

Members of the business community are invited to participate in this event by booking exhibit booth space(s).

### MONTEGO BAY

Montego Bay is the capital of the parish of St. James and the second largest city in Jamaica. It is also officially known as the tourism capital and features a number of top flight hotels, duty free shopping, a cruise terminal and several spectacular beaches.

The city is served by the Sangster International Airport located seven minutes from the Montego Bay Convention Centre where the event will be held.

The Montego Bay Convention Centre, built on a large site near to the Rose Hall estate, was opened in January 2011.

### EXPO OUTREACH

This far reaching, highly ambitious and sure-to-deliver event guarantees the broadest and most expansive exposure of your company to a regional and international audience.
